

Holland America Line

A Signature of Excellence

The most romantic weddings on land — or sea

Love is different things to different people. No matter how you look at it, great love requires a special place in which to share it — and few venues rival the romance of a Holland America Line cruise.

On board everything revolves around romance: spacious guest rooms with private verandahs, candlelit dining rooms, couples massages in the Greenhouse Spa & Salon, teak promenade decks perfect for moonlight strolls — and an award-winning crew ready to create a once-in-lifetime experience, every time. It's no wonder the readers of *Modern Bride* magazine named Holland America Line "Best Honeymoon, Top Ten Cruise Lines."

A perfect day

Your wedding day, an event you've dreamed of for a lifetime, is one of those great-moments-in-life best entrusted to the expert wedding consultants at Holland America Line.

For every onboard wedding, your personal wedding coordinator will handle all the details — flowers delivered, cake decorated, champagne poured into sparkling flutes — so you

can relax and indulge in optional spa treatments designed to present you at your radiant best!

Private island wedding

Instead of walking down the aisle, why not stroll a white sand beach to a quaint little chapel on Half Moon Cay, our private paradise in the Bahamas? Say "I do" in satin and flip-flops, photograph the wedding party on the beach, dance to calypso rhythms.

Love at large

With Holland America Line you can easily take your event to a land far, far away with one of our destination wedding packages.

Where in the world would you like to begin life together? Atop an Alaskan Glacier, the sunny Caribbean, festive Mexico, the romantic Hawaiian Islands, exotic South Pacific islands, or Australia? The choices before you are nearly limitless — as expansive as the stretch of ocean off the rail.

One of the great things about combining your wedding with a Holland America cruise is that we make it easy to cruise as a group. Our cruises offer something for everyone,

from children to adults. Every day aboard a Holland America ship brings a wealth of activities and indulgences, along with the freedom to partake in as many, or as few, as you please. It's a fabulous way to share your very special experience.

Exceptional value

Your fare covers accommodations, dining, entertainment and a host of extras. Plus, Holland America Line is the only cruise line to offer a family program with a range of benefits — from a head-of-the-family free upgrade to a family photo for each stateroom. You start earning benefits with only five double-occupancy staterooms.

Details, details

To help you plan an extraordinary wedding, here are some pointers from Holland America's wedding planner, Royal Ocean Events:

- Ship weddings are performed on the day of sailing, prior to the ship departing, either at 12:30 p.m. or 1:30 p.m. Shipboard weddings are also available at ports of call during the cruise. Legal ceremonies are not performed at sea.

- The wedding couple must be sailing to hold a ceremony on board a ship and must book their cruise prior to booking their wedding package.
- All weddings and ceremony extras must be booked and paid for as early as possible. No additions or changes are possible less than thirty (30) days prior to sailing date.
- The wedding couple is responsible for obtaining a valid marriage license. Our wedding consultants will assist you with the process by providing the necessary information for each specific port.
- We strongly recommend that the wedding party arrive at least one day prior to sailing to avoid late flights, traffic and other possible interruptions on the wedding day. It is the wedding couple's responsibility to arrive at the wedding on time.
