

Cultivate your sense of wonder on an unrivaled journey while celebrating Charles Darwin's 200th birthday.

Come join us on a part of the planet where few have trod before. Where nearly half of the species are found nowhere else in the world. We offer you a truly seamless, all-inclusive, environmentally conscious vacation... in true Celebrity style. Welcome to the islands of the Galapagos and an experience so singular, that among premium cruise lines, only Celebrity can bring it to you.
